OUR BURSARY WINNERS EMILY LAM & XI YI YU(ANNIE)

Emily Lam, a student of Dr. Charles Best, received a Certificate of Achievement and a Bursary of \$1000 to help with her university expenses as she will be attending SFU. She hopes to become a Pediatric Cardiologist. It was interesting to learn that her sister, Stephanie, (also in the picture) received our Bursary in 2014 and said it had helped her in her first year.

Annie Yu, a student of Port Moody Secondary

shop save support

will be attending UBC. She is interested in the field of medical research. She was presented with a Certificate of Achievement and a Bursary of \$1000 on May 21st, 2018-in the lobby of the hospital.

Diana thanks the committee, Anna, Connie, Lynette and Velma and also Gordana for her assistance on Facebook

OUR PLEDGE TO THE EXPANSION OF THE HOSPITAL

We are pleased to announce that the Auxiliary has pledge **\$250,000.00** over a three year period for the sub waiting lounge, a room where less injured people can be treated in a timely manner.

MANOR GETS SPECIAL MATTRESSES

The Auxiliary is providing the funds for purchase of 6 mattresses at a cost of \$7,000.00 each for a total of \$42,000.00 plus tax. These are special mattresses for people who are bedridden and need protection from bed sores etc.

PORTERS COMMUNICATE WITH EASE

Porters need to communicate with other porters and staff to facilitate the moving of patients and their can be done more efficiently with radios so we have okayed the purchase of radios communicators for them.
