QUIET PEOPLE

We have sold QUIET PEOPLE in our Gift Shop and at our Craft Sales since our

founding member INGRID began to knit and sell them in 1975 to raise funds for lobbying to get an Auxiliary to help lobby the government to build Eagle Ridge Hospital. We formed in 1976 so they were a tradition before we

were an Auxiliary. Members still knit them for our shop.

A PRIVATE COLLECTION OF QUIET PEOPLE DONE BY INGRID

2018 BCAHA Leadership Forum and AGM April 21,22

Barbara, Connie, Dawn and Diana arrived at Harrison Hot Springs Hotel, checked in and registered for the conference. They attended opening ceremonies and were welcomed by Mayor Leo Facio, the Village

shop save support

of Harrison Hot Springs.

This was followed by BCAHA Annual General meeting, followed by a buffet dinner and Town Hall meeting.

THEN A VERY BUSY DAY

Saturday started with breakfast followed by SESSION ONE "EASY, ENJOYABLE & EFFECTIVE MEETINGS", Speaker Lynda Avis, which all four of us attended. She shared some "how to" ideas to make meetings more productive. A very interesting talk.

Connie and Dawn attended SESSION THREE "TO TAX OR NOT TO TAX-GST & PST. with speaker Valerie Tribes. Dawn reports it was very informative. Valerie was well versed in rules for voluntary organizations. They found it most interesting and it surprised them how many either didn't know or were given bad information that the tax had to be paid. (PST) n the thrift shops.

Barbara and Diana covered SESSION FOUR - "SUCCESSFUL POLICIES AND PROCEDURES" speaker Ruth Roper dealt with how to formulate effective policies and procedures to facilitate smooth operation of all auxiliary activities. After lunch we had a GENERAL SESSION - "EFFECTIVE TIME MANAGEMENT" - speaker Garland Coulson. Very interesting but found it not really applicable to our auxiliary.

Next we went a TOWN HALL meeting followed by a Banquet and entertaining fashion show.

Sunday we had a Buffet breakfast followed by inspiration speaker Glenda Standeven who was **exceptional**, she had bone cancer in the 80's and lost a leg, part of her pelvis and part of her buttock. She wrote a book about it and also a book about her husband's Prostate cancer. She is very funny and a great speaker.

NEXT BCAHA AGM in 2019 in Prince George.

A VISIT WITH ANNE

Thought you'd like to know Velda had a chance to visit with Anne, an Honorary Member, and she is enjoying life as usual.

RECORD SALES AT THE THRIFT SHOP

A message from the Treasurer....

You did it, sales over \$10,000 in March...

WOW! That has never happened before.

Please pass on to all the volunteers that you've surpassed any previous sales.

OUR USED BOOK CORNER

BO AND CYNTHIA ADMIRE OUR CORNER WITH THE NEW MOSAIC HUNG BY THE HOSPITAL

First there is the slice of wood from the first tree felled in 1982 to clear the site for the hospital donated by us on the Hospital's 30 year anniversary. Then the beautiful Mosaic. and finally the relaxing corner with chairs and books provided by us and our donors for sale. A very pleasant place.
